

Two of the most exhilarating and memorable experiences in Alaska during the winter are the start of the “Last Great Race”, the Iditarod, and viewing the show that is the Northern Lights.

Knightly Tours combines these great experiences in one memorable escorted vacation. Our escort guides you through all the fun, wonder and excitement of these events. Your vacation includes all breakfasts and two dinners. One of which is the fun Musher’s Banquet where all drivers have one final party before the race.

To enhance your Northern Lights viewing, we journey 70 miles from Fairbanks to Chena Hot Springs where you can enjoy soothing hot springs while gazing into the heavens to watch the lights dance.

This is a vacation only Knightly could design. Hurry, space is going fast. This great low price will increase on January 1.
